PRESIDENT'S MESSAGE

Hello everyone,

I would like to thank all who came and participated at our AGM and critique night. It was a fantastic evening that provided a great opportunity to meet new members as well as long-standing members and friends.

This year we had five positions to fill on the Executive and I am so pleased to be able to report that three brave members stepped up to the plate and were duly nominated to join our executive team. The Web Assistant role has been filled by Pierre, Gallery coordinator by Chela and Trophy Coordinator by Janet. Two postings remain open - Treasurer and 2nd Vice-President. If you have some experience or are willing to learn on the job please contact me. These are essential roles that need to be filled to ensure continuation of the Association. Roger, past Treasurer, will train and assist his replacement, not to be worried. On another note, I am happy to inform everyone that the OLT has adjusted the lighting system to better illuminate the artwork on some of the walls. Lastly, a quick reminder that our **OLT art submission on July 8th has been cancelled** and that all artwork will remain at OLT until **Sunday July 30th**. The pickup is scheduled from 2:00 to 2:30pm. If you cannot pick up your artwork or arrange for someone else to collect your item, please email me before July 30th.

Wishing everyone a fantastic summer and looking forward to seeing you all this fall.

Carole Brazeau
OAA President

Call to Artists

Canadian Parks and Wilderness Society in the Ottawa Valley- CPAWS-OV area will be hosting our first annual Art Camp in the Dumoine River area from **August 2-7, 2017**.

The Art Camp will bring together artists working in different mediums and from communities across the Outaouais region. We will explore the Dumoine River, create works of art, share stories, and become inspired by this magnificent landscape. Next winter, we will hold two art shows to display the works derived from this art camp. One show will be located in the Pontiac region to highlight the beauty of their own backyard and the other show

will be in Ottawa to reach a wider audience. We will host an artist's evening and Fundraising Gala during the Ottawa showing.

Applications for artists to participate will be open from March 1 – April 30, 2017. Applications can be found here. On May 15, 2017, we will officially announce the artists who have been selected to attend. There will be no cost to participate in the art camp, however each artist is asked to donate a completed piece. These donated works will be displayed in our art shows. "An Original Painting in Every Home" – Ottawa Art Association

Artiste en residence

Coaticook, traditionally called the "Pearl of the Eastern Township", invites professional artists practicing in visual arts. Located in the South-East corner of la belle province, this charming small town is anchored on both sides by the river carrying its name. From Coaticook, the City of Montreal can be reached in an hour and 15 minutes, and the United States in 10 to 20 minutes, depending on the route chosen.

Several years ago the Town of Coaticook started an "**Artiste en residence**" program allowing artists to work in an equipped artist studio and live in a small adjoining apartment located in our downtown area. The enchanting sites of the town and the surrounding countryside generate the perfect environment to stimulate inspiration and creativity. Located in the centre of mixed forests typical of the Appalachian mountain range, our valleys, hills, streams, lakes and wooded areas will invariably prompt any natural creative instinct. All artists who have joined the program used the opportunity of their sojourn to increase their artwork collection.

Located in the link below, please find the Program description as well as an application form. You are invited to read it and pass it on to your artist friends who may be interested in such a venture. If anyone from your group wishes to submit their candidacy, the application form must be completed and returned to us no later than **September 22, 2017**. <http://ville.coaticook.qc.ca/fr/culture-loisirs/artiste-en-residence.php>

If you need more information or wish to receive an electronic version of the application form, please do not hesitate to contact me by phone at [\(819\) 849-2721](tel:819-849-2721), extension 256, or by e-mail at the following address: s.lavertu@coaticook.ca.

Masterpiece in Focus: Ron and Damian Moppett

12 May 2017 - 10 Sep 2017

Gallery C218

As part of our ongoing Masterpiece in Focus series, this exhibition examines the production of two talented – and related – artists who have pursued singular trajectories to become, each in their own right, established figures in the Canadian art world. The work of painter Ron Moppett, and his son, multidisciplinary artist Damian Moppett, intersect and diverge in intriguing ways, and along generational lines. Taken together, their work offers visitors original perspectives on the meaning and contemporary relevance of that pivotal space from where painting, sculpture and drawing emerges: the studio. This exhibition highlights the artists' respective aesthetic approaches, while also reflecting on the importance of patronage in curatorial research and in the development of the national collection.
