PRESIDENT'S COMMENTS

What a summer! Putting up with all that heat, the flies and sunburn, to say nothing of lost golf balls.

For those members who actually do get out and paint plein air, I would not be hesitant in noting that there were virtually no rain days and that most of you enjoyed the time out in the fresh air and that your paintings were all masterpieces.

Welcome to all our new members and welcome back to those of you who will be with us for the coming

year. Apart from the revised pick up and hanging times (see the inset) we foresee no big changes. With any luck and good fortune, the nagging little problems facing the changes in

the Executive last year will be a thing of the past and we will breeze through the year as if we knew what we are doing.

Just a reminder concerning paintings. Please do not exceed the 30" x 40" maximum frame size. Wall space has been reduced somewhat in the Besserer St. lobby area. In order to protect the hanging crew, we are also asking artists to wrap the ends of the hanging wire. Having your membership paid up would be nice.

The position of Newsletter Editor is still open and we are always receptive to members wishing to spend quality time with our hanging crew.

Our speaker for Sept 13 will be **Maureen O'Neill**. Maureen is as good at painting as she is at teaching and this will be an outstanding and informative 2 hours. Acrylic will be the medium and trees will be the subject. Maureen will keep us all in suspense as to who she is wearing.
