PRESIDENT'S COMMENTS

Congratulations to all the winners in the April Awards Show. The judges reported having a difficult task, as there were so many great pieces to choose from. The success of the show was due not only to the great works of art but also to the great work of so many volunteers. In order to function, this association relies entirely on volunteers; many on the Executive have

stayed on longer than their initial two year commitment and some would like to pass the baton to others. We need an e-mail news coordinator and a gallery web coordinator. Kathy Graydon is leaving after six years and Chris Kingsley after three years. I have relied heavily on the excellent advice and work of both. They have made my job a lot easier. We also need to fill the Assistant Treasurer and other upcoming vacancies. Please contact me if you think you can help either now or in the future.

Our guest speaker on May 14 will be Vincent Deshaies, owner and manufacturer of KAMA PIGMENTS of Montreal. His talk will provide artists of all levels and techniques with knowledge of the different materials that make up artists' paints and mediums. He will discuss general concepts of manufacturing of artist's colors, differences between artist and students paints, lightfastness, transparency, use of paint mediums as well as single pigment versus hues.
