PRESIDENT'S COMMENTS

We are still looking to fill a few vacancies on the Executive at the June Annual General Meeting, specifically: Assistant Treasurer, Secretary, Newsletter Editor and Programme Coordinator. Please consider stepping up and helping out. If you want more information please contact Elaine, Chris or me. We would also like to hear from you with respect to suggestions for guest speakers or anything else for that matter.

At the next hanging we are trying something new. We will be displaying miniatures on the wall adjacent to the bar. **In addition** to what you would bring to a regular hanging, you are invited to bring a miniature painting no larger than 6 inches in any direction, **excluding** the frame (unlike our regular rule that limits it to 40 inches **including** the frame). Otherwise everything remains the same, the paintings must be properly framed (unless on gallery thick canvas), wired, with proper identification clearly marked on the back.

Also, please note we are back to a Saturday morning hanging.

Our guest speaker in May will be Patrick Fraser. Patrick will demonstrate and discuss caricature drawing. Patrick studied graphic arts in Toronto and worked as a graphic designer at Corel Corporation, he presently teaches Cartooning for Kids at the Nepean Visual Arts Centre.

ONE DAY WORKSHOP LEARNING PERSPECTIVE DRAWING & W/C PAINTING

Sunday June 15th 9:30 am to 4:30 pm

Enjoy painting with Peter in his usual relaxed style while learning to paint loose vibrant watercolours.

Once you learn how to make the lines - you can paint loosely around them :)

Two perspective drawings in the morning - paint one in the afternoon. Beginner to advanced welcome. Learn to be "loose" but with the correct perspective.
