PRESIDENT'S COMMENTS

Instead of a guest speaker, the June 10 meeting will be an informal "Show and Tell" and an art material exchange. You are invited to bring in works that you would like to show and discuss with other artists (e.g. methods, motives, etc.). Bring one or more of your no-longer-used art items (paints, books, as-new brushes, etc.) and take one or more home with you. There will be a very brief Annual General Meeting (AGM) at the start.

"Driving Miss Daisy" July 8-26

by Alfred Uhry

My two-year term as President effectively ends after the AGM in June (it officially ends at the end of our fiscal year in August). As this is the last newsletter that I am contributing to as President, I would like to take the opportunity to thank all the members for your trust and support. I would especially like to thank the volunteers for the shows and the members of the Executive that I have worked with over the past couple of years. I never would have gotten through this without your help and support. Thank you all for giving me your trust and the honour to serve you.
