PRESIDENT'S COMMENTS

Hello everyone,

Don't hold your breath but the weatherman says that finally Spring is on the way, albeit a cold one. It has been a long and brutal winter and it has taken its toll on the health of several of our members. I know you all join me in wishing them speedy recovery.

We are now just a little over a month away from our juried April Show and plans are well in hand to make it a big success. Between now and then we have another hanging coming up on March 21, 2015 and perhaps we can use it to exhibit artwork with a Spring theme just to get us all in the mood.

We don't yet have an accounting of the artwork sales for the last period, as it won't be available until the week of the 16th of March but I will make it available at the next hanging on March 21st.

If any of you would like to help with the food services for our April show, please contact either me or Carol Brodtkin-Sang, our Social Convener. Typically Carol does all of the ordering and just needs help to carry in the food, get it set up on the tables and clear it up afterwards. Your help would be greatly appreciated.

A very big thank you to all who participated in our Insurance Coverage Survey. The response rate exceeded our most optimistic expectations. The results will be compiled and disseminated once the survey has closed on March 7, 2015.
